Introduction

Scales Sports Arena is owned and managed by Scales Conservation Fund; a registered non-profit organisation based in Hoedspruit. Fundraising is at the forefront of what we are working towards. Recognizing the enormity of the challenge our wildlife faces, Scales Conservation Fund is dedicated to making a lasting impact through our campaigns and projects. We have partnered with ethical, passionate conservation non-profit organisations to assist them in creating awareness and to help them in raising the funds they so desperately need. This not only ensures that the critical work can continue to be done, but also enables the experts to focus on the job at hand.

The Scales Sports Arena was established in March 2020 as an investment for our projects, offering friendly and competitive sports for the community whilst providing a stable income for our charity and its partners.

Activities

Our under 12's program is the perfect opportunity for those with a passion for a particular sport; to gain some extra court time as well as for those who would like to learn a sport. Team sports can boost a child's self-esteem, co-ordination and general fitness as well as help them learn how to work with other children and adults. Keeping this in mind our weekly sessions are tailored towards the age of the group. Sessions will vary from week to week and include a variety of skills, drills, fitness and games.

Equipment

The sports equipment available from our club house as well as the equipment that the players will need to provide has been noted under each sport. All sports dress code includes, comfortable casual sports clothing and sports shoes. Studds are not allowed under any circumstances as they have no grip on our indoor flooring. We adhere to a strict no shoes, no play policy.

Indoor Hockey

All players must supply their own shin guards. Due to the nature of Hockey, players will not be allowed to participate without shin guards. All other equipment is available, but we advise players to bring their own sticks as we have a limited number of sizes available. Hockey gloves are optional but advised for our "Teen" Players.

We operate on a 'first come first served' basis, however in order to attempt to accommodate as many individuals as possible, priority will be given to those who are not already attending other sport sessions.

You will be notified if your application is successful, receive confirmation of which group, time, and date your child has been assigned to. You will then be added to the dedicated sports WhatsApp group for the purpose of updates and news from our coaches and staff as well as to confirm attendance so that session activities can be planned in advance in accordance with the size of the group in attendance.
